GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

ITE&C Department – Promotion Wing – In-Principle approval for allotment of 25 acres of land at Orvakal, Kurnool District to M/s. Sensorem Photonics India Pvt. Ltd for the establishment of a Contact Image Sensor Modules (CISM) packaging and Infra-Red module manufacturing facility under the AP Semiconductor & Display Fab Policy (4.0) 2024–29, and also for extending a tailor-made incentive package, with an investment of Rs. 1,057 Crore – Orders – Issued.

INFORMATION TECHNOLOGY, ELECTRONICS & COMMUNICATIONS
[IT, E&C] (PROMOTION WING) DEPARTMENT

G.O.MS.No. 15 Dated: 29-05-2025

Read the following:

1. G.O.MS.No.7, IT, E&C (Promotion Wing) Department., Dated: 14.11.2024.
2. Proposal of M/s. Sensorem Photonics India Pvt. Ltd, dated: 14.01.2025.
3. Minutes of the SIPC meeting held on 12.05.2025.
4. Minutes of the SIPB meeting held on 15.05.2025.
5. U.O.No.186/2025, dated: 20.05.2025, of G.A. Cabinet Dept.

******

The Government of Andhra Pradesh accords top priority to industrial development, as it enables economic development, and generates employment. The government specifically identified semiconductor manufacturing as a key focus sector for attracting investments and creating large-scale employment.

2. In the reference 1, the Andhra Pradesh (AP) Semiconductor and Display Fab Policy (4.0) 2024–2029 focuses on establishing the state as a leader in semiconductor and display manufacturing by fostering innovation, attracting investments, creating high-value jobs, and building a robust manufacturing ecosystem.

3. In the reference 2, M/s. Sensorem Photonics India Pvt. Ltd submitted a proposal and informed that"…. *company is a Taiwan-based Company, specializing in the manufacturing of Colour and mono Contact Image Sensor Modules (CISM) with capital assets of USD 48.8 Mn and 1,150 employees worldwide. The company is headquartered in Taiwan with locations in Taipei and Nanchang*".

4. M/s Sensorem Photonics India Pvt. Ltd., a subsidiary of M/s Creative Sensors Inc., proposed to invest Rs. 1,057.92 Crore and generate 622 direct employment through the setting up of a Contact Image Sensor Modules (CISM) packaging and Infra-Red module manufacturing facility at Orvakal, Andhra Pradesh, under the AP Semiconductor & Display Fab Policy 4.0 (2024–29).

(P.T.O)

5. In the references 3 &4, the proposal of M/s. Sensorem Photonics India Pvt. Ltd was placed before the State Investment Promotion Board meeting held on 15.05.2025, duly enclosing the recommendations of the State Investment Promotion Committee in its meeting held on 12.05.2025. The SIPB recommended as follows:

a. *"In-Principle Approval for the project proposed by M/s Sensorem Photonics India Pvt. Ltd., under AP Semiconductor & Display Fab policy 4.0 2024-29, subject to the condition that the project proponent obtains approval under the India Semiconductor Mission (ISM) policy.*
b. *In-Principle Approval for the proposed package of Capital Subsidy @ 40% on a pari passu basis along with other incentives as per Policy.*
c. *In-Principle Approval for allotment of 25 acres of land at Orvakal with 90% subsidy on prevailing cost.*
d. *The Government may be asked to request the Government of India to consider this proposal under the ISM 1.0 scheme as the application window closed on 31st Dec 2024".*

6. In the reference 5, the Government after careful examination of the M/s. Sensorem Photonics India Pvt. Ltd proposal, approved as follows;

"*Based on the recommendations of the State Investment Promotion Board (SIPB) made during its meeting held on 15.05.2025, with respect to the investment proposal submitted by M/s. Sensorem Photonics India Pvt. Ltd., for granting in-principle approval to the project under the Andhra Pradesh Semiconductor and Display Fab Policy 4.0 (2024–29), subject to the condition that the proponent obtains approval under the India Semiconductor Mission (ISM) policy of the Government of India, for extending a tailor-made incentive package including a capital subsidy of 40 percent (%) on a pari passu basis along with other applicable incentives under the policy and for allotment of 25 acres of land at Orvakal with a 90% subsidy on the prevailing land cost for establishment of the proposed unit. Additionally, to seek the Government of India's consideration of the proposal under the ISM 1.0 scheme, despite the closure of the application window on 31st December 2024*".

7. The VC& MD, APIIC, Mangalagiri, shall take necessary action.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

BHASKAR KATAMNENI
SECRETARY TO GOVERNMENT

To
M/s. Sensorem Photonics India Pvt. Ltd.
The Secretary, Ministry of Electronics & Information Technology (MeitY), GoI.
